Business Operations | Strategy & Program Management | Revenue Operations | Chief of Staff

Strategy and business operations professional who builds the systems behind revenue: booking platforms, CRM migrations, contact-centre workflows and AI-led automation. Delivered a platform processing INR 2 crore+ in monthly transaction volume, removed INR 11 lakh in annual recurring cost and doubled sales-agent throughput. Experienced in CEO and MD level stakeholder management, cross-functional program execution, KPI governance and change management.

PROFESSIONAL EXPERIENCE

Flow Realty (Power of Flow Realty LLP) — Bangalore, Karnataka
Manager - Strategy (Sales and Marketing) — *Apr 2026 - Present*

- Built and launched a booking platform with integrated payment gateways and multi-tier customer, developer and partner portals, unifying fragmented access into one system now processing **INR 2 crore+ in monthly transaction volume**.
- Cut **INR 11 lakh in annual recurring cost** by replacing third-party marketing and reporting tools with in-house AI-built systems and rebuilding the company website in-house.
- Migrated messaging infrastructure to Gallabox and Double Tick, raising delivery from **30% to 70% in two days** and resolving the company's largest operational bottleneck.
- Deployed Ozonetel contact-centre infrastructure across **12 agents and 9 concurrent projects** and restructured pre-sales workflows, lifting throughput from **70 to 150 calls per agent per day** and cutting response TAT to **10 minutes**.
- Leading an enterprise CRM change-management program, consolidating sales, marketing and operations data onto a unified **Zoho Suite** platform.
- Owned AI adoption and governance: trained teams on Claude (Skills, Cowork, MCP) for reporting and dashboard automation, and shipped a zero-cost Windows application using DeepFilterNet3 for real-time call noise suppression.

Rustomjee - Keystone Realtors Limited — Mumbai, Maharashtra
Executive Trainee - Strategy (Sales and Marketing) — *Apr 2025 - Apr 2026*

- Delivered Chief-of-Staff style support to the **CEO and Managing Director**, leading NPS research across **100+ channel partners** and preparing **10+ board-level presentations** that informed strategy behind **INR 1,100 crore in quarterly sales volume**.
- Deployed a 24x7 AI voice bot handling **200+ calls daily**, cutting average response time from **15 minutes to under 1 minute**.
- Built **5+ weekly and monthly KPI dashboards across 4 cross-functional teams**, establishing the governance cadence that gave leadership real-time visibility into performance and risk.
- Ran data-driven risk assessments across **20+ micromarkets** for land acquisition strategy, and designed and documented the operating model defining ownership and accountability across workstreams.

INTERNSHIPS

- **SysMind LLC**, Product Marketing Intern, Noida (May 2024 - Jul 2024): analysed multiple sectors for MelpApp's product-market fit and delivered data-driven go-to-market recommendations.
- **Flipkart**, Supply Chain Management Intern, Gurugram (Aug 2021 - Oct 2021): managed inventory, packaging and sorting during Big Billion Days, processing approximately 50,000 orders per hour across a 3-shift fulfilment environment.

PRODUCTS BUILT

- **InterVuex:** AI co-pilot for hiring interviews with real-time data structuring and automated reporting. **Aura Meetings:** extracts decisions, action items and accountability from raw meeting audio.
- **BrowseMind:** AI browser-memory tool for retrieving anything read online. **Before You Send:** Chrome extension automating email quality checks before dispatch.
